INTERNATIONAL POSTGRADUATE SYMPOSIUM ON COMPUTING AND INFORMATICS (IPSCI 2026)

in conjunction with International Conference on Advances in Machine Intelligence, and Cybersecurity Technologies (AMICT2026)

The Faculty of Computing and Informatics (FKI), Universiti Malaysia Sabah, is organizing the first International Postgraduate Symposium for postgraduate students from institutions around the world. This program will be held in conjunction with the International Conference on Advances in Machine Intelligence and Cybersecurity Technologies (AMICT2026), which will take place at Federal Territory of Labuan, on 12 - 13 November 2026.

The International Postgraduate Symposium is an initiative designed to provide postgraduate students with the opportunity to present their latest research findings (including work-in-progress). Participants will receive feedback from experts, share experiences, and build academic and industry networks. The program aims to enhance research quality and strengthen scholarly presentation skills among participants. The target participants include Master's and PhD students in the field of Information and Communication Technology (ICT), as well as researchers and industry professionals. The program will feature research presentations, Q&A sessions, workshops, and panel discussions.

NOVEMBER 12-13, 2026

09:00 AM – 05:00 PM (GMT+8)

Wilayah Persekutuan Labuan

Theme

"Connecting Minds in Computing and Informatics: A Platform for Postgraduate Research and Innovation"

Scope of Topics

Postgraduate authors are invited to submit original, unpublished work-in-progress papers on all topics include but not limited to:

- Artificial Intelligence and Machine Learning for Societal Good
- Sustainable Computing and Green IT
- Cybersecurity and Digital Trust
- Data Science and Big Data Analytics
- Human-Centered Computing and Digital Experience
- Blockchain, IoT, and Emerging Systems
- Software Engineering and Intelligent Automation
- Digital Transformation and Innovation Management
- Computational Modelling and Simulation Across Disciplines
- Creative Technologies

Important Dates

Abstract Submission Deadline

July 1, 2026

1st round

August 1, 2026

2nd round

Notification of Acceptance

September 1, 2026

Registration Deadline

September 15, 2026

Full Paper Submission Deadline

September 15, 2026

Conference Dates

November 12-13, 2026

Conference Fee

Malaysian (Extended Abstract e-proceeding)
RM250

Malaysian (AMICT Conference Proceeding)
RM1050

International (Extended Abstract e-proceeding)
USD100

International (AMICT Conference Proceeding)
USD350

PUBLICATION

All accepted extended abstracts will be published in the e-Proceedings of the Symposium on Computing and Informatics, except for selected articles for publication in AMICT conference proceeding. Selected articles will be invited for publication in IJMIC journal
